COW MILKING CONTEST

Assembly Instructions

1. Select a level area to operate the game with plenty of room to allow a line to form.
2. Wheel cow into position and remove the *Dolly* from the cow.
3. Insert the *Bottom Supports* into the bottom of the frame.
4. Attach the side(s) using the bolts and wing-nuts.
5. Put *Udder Bucket* into the space inside the frame.
6. Insert the *Banner Supports* (lengths of tubing with welds) into the top of the frame
7. Using the *Bungees*, attach the banner to the banner supports. ***Put on safety goggles when stretching bungees.***

FRAME SET-UP

CANVAS CARE

1. If game becomes wet, dry thoroughly before storing.
2. Fold the canvas INWARD to help protect and keep it clean.
3. Canvas can be cleaned with rubbing alcohol when necessary. If your game involves Velcro, clean the hook and loop fabric with dry brush to knock out the dirt. If Velcro fabric is badly soiled, use upholstery cleaner.

COW MILKING CONTEST

Safety Instructions

1. Be sure that there is plenty of clearance between the player and spectators.
2. Keep spectators clear from the sides and back of canvas to prevent them from being struck by a deflected or errant throw.
3. If using game outdoors, it is strongly suggested that you use the stakes provided on either side of the bottom supports. Use sandbags on pavement. And in a breeze, use sandbags with the stakes.
4. **NEVER USE THE GAME IN STRONG WINDS OR LIGHTENING!!**
5. Use caution when setting up or taking down the game. Once the bolts are loosened the sections of tubing can come apart and fall down causing injury.
